

Webinar Series: Cancer Survivorship Care Guidelines

This webinar series is presented to **oncology & primary care professionals** in North Dakota & South Dakota. Each webinar will feature an **American Cancer Society Survivorship Care Guideline**.

Through this series, you will **learn about the role of primary care & oncology in the follow-up care of cancer survivors** and receive **evidence-based recommendations** related to survivorship care in **colorectal cancer, breast cancer, prostate cancer, and head & neck cancers**.
